

The North Carolina Top 50 Challenge

We want to recognize North Carolina's Top 50 wrestlers and encourage youth wrestlers to compete in three styles of wrestling. To do so we present the Top 50 Challenge, a mix of folkstyle, freestyle, and Greco-Roman events that will challenge North Carolina's wrestlers. Points are earned at each event, compiled and at the end of the series the Top 50 will be presented with unique awards to honor their accomplishments. If you are interested in adding your tournament to the challenge this year or next please contact us. If you miss an event don't count yourself out! Keep competing, you may find yourself in the Top 50. Out of state wrestlers are welcome to compete in the challenge.
